

At San Diego Dance Theater, we are dedicated to providing an inclusive and accessible online experience for all users. We strive to ensure that our website is usable and navigable by individuals with diverse abilities. To achieve this, we have implemented various accessibility features, including:

**Alt Text for Photos:** We recognize the importance of alt text in describing the content of images to individuals who use screen readers or have visual impairments. We have taken care to provide accurate and descriptive alt text for all relevant images on our website, ensuring that everyone can access the visual information they may not otherwise perceive.

**Screen Reader Compatibility:** Our website is designed to be compatible with popular screen reader technologies. Through appropriate HTML markup, labels, and logical structure, we facilitate seamless navigation and comprehension of our content by screen reader users.

**Color Contrast:** We understand the significance of appropriate color contrast in ensuring readability and usability for individuals with visual impairments. Our website incorporates thoughtfully chosen color combinations to provide sufficient contrast between foreground and background elements, making the content more accessible to all users.

**Commitment to Improvement:** Accessibility is an ongoing process, and we are committed to continuously improving our website based on feedback from the community. We encourage users to share their accessibility experiences and suggestions for enhancement. Your input helps us identify areas where we can further improve accessibility and ensure a better user experience for all.

Our dedication to inclusivity goes beyond accessibility. We strive to foster a diverse and welcoming environment for all individuals, regardless of their abilities or backgrounds. We actively work to create an inclusive online space that respects and celebrates the diversity of our users.

If you encounter any accessibility barriers while using our website or have suggestions for improvement, please reach out to us at [info@sandiegodance.org](mailto:info@sandiegodance.org).
